WCFP - REFERRAL AGENCY NOTES August 2017

The Project aims to provide short term help and support for people experiencing difficulties. Your agency can make a referral either via 07450766226 or washingtoncfp@gmail.com

Please try to fill in as much information as possible to help us assess the criteria and need for emergency food in Washington. Data collected will only be shared with third parties in the form of anonymous statistics.

When making a referral please send this form to us by email if at all possible. You can also give a copy to your client. The easiest way is for you to type in the details in place of the dotted lines, adding the client's name to the document name, then, instead of ticking boxes just use BOLD or UNDERLINE the answer in each case.

A list of our opening times and venues is on a separate sheet and is different to all version prior to **August 17**.

Working people - Yes we can give food parcels to people who are employed and struggling. All we ask is that after the first parcel has been given we are shown an up to date bank account printout showing income going into the account with the last 5 weeks, to demonstrate the difficult situation.

Repeat parcels - We can help people for a number of weeks at a time but do not want them to become dependant on the food bank. We would look for new evidence of continued need after four food parcels have been handed out to someone.

Deliveries - Please note we **do not** deliver food parcels except in extreme circumstances. In order to qualify for delivery, you must phone us in advance AND your client must qualify for 2 of these criteria:

2. Have a child under 18 months old.
 3. Have a sick child at home.
 4. Have no friends or no-one *at all* capable of collecting the food *on their behalf*.
 5. Be in receipt of Disability Living Allowance, Personal Independence Payments or Employment and Support Allowance.
 6. If not (4) then you must personally vouch that their disability is such that they cannot travel despite not receiving these benefits.
 7. Live more than a mile from one of our distribution points, namely in *Springwell, Penshaw or Shiney Row only*.
-

Lost money - Losing your purse or wallet can be a traumatic experience and we sympathise with anyone who has gone through that experience. However, even if our client provides a Police crime reference number, there is still no evidence that they have indeed lost the money. Such an *emergency* is too open to abusive misuse and so we feel that we should encourage our clients to be careful about their possessions. Therefore we prefer only to help a person once in a lifetime for "lost money".
